

**GENERAL MEMORANDUM OF UNDERSTANDING
BETWEEN
NATIONAL TECHNICAL UNIVERSITY «DNIPRO POLYTECHNIC»
AND
CHINA UNIVERSITY OF MINING AND TECHNOLOGY, BEIJING**

National Technical University «Dnipro Polytechnic» (Ukraine, Dnipro) and China University of Mining and Technology, Beijing (China, Beijing) seek to enhance relations between the two universities by developing academic and cultural interchange in teaching, research and other activities.

Within the framework of the regulations applying in each university, and subject to the availability of resources, the following programmes and activities in the areas of energy, mining, minerals and mathematics will be encouraged:

- exchange of staff
- joint research activities
- joint conferences and other academic meetings
- exchange of academic materials and information
- exchange of students

Specific areas and details of cooperation within the framework of this Memorandum of Understanding (MOU) shall be discussed and agreed upon in writing by the appropriate authority of each university, prior to the initiation of any particular programme or activity.

The universities acknowledge that in the absence of any specific agreement to the contrary, all expenses of salary, travel, living and allied costs will be determined at the discretion and be the responsibility of the visitor's home university.

All visits of staff and the admission of students will be subject to compliance with entry and visa requirements of the two countries involved, and the requirements of the two universities.

The MOU shall become effective from the date of the last signature and remain in force for a period of five (5) years with the understanding that it may be terminated by either party giving six months notice to the other party in writing. It may be extended by mutual consent of the two universities, or amended by the exchange of letters.

At the National Technical University «Dnipro Polytechnic», the administration of this MOU is vested in the Head of the Department of International Relations, and at China University of Mining and Technology, Beijing in the hands of the Director of the International Cooperation and Exchange Office.
